## Film Production Volunteer

---

NSEN is in need of assistance in developing films to communicate the value of work that we have done in the past and what we offer our members and supporters moving forward. We would like to create a short film or series of films highlighting past projects, interviews with current and past board members, interviews with member group leaders, and others.

### **Who we are looking for:**

- Has own equipment and software for filming and editing
- Experience in setting up equipment for interviews (camera, microphone)

### **Required Tasks:**

- Create and upload short films to Youtube/Vimeo to share with NSEN followers and subscribers
- Create films that will be used to leverage funding for NSEN
- Create films for NSEN's website that clearly outline value and benefit to being a member of NSEN
- Use consistent NSEN logo, branding, fonts in films
- Create professional looking, well-edited features
