
Journalism Volunteer

Many people indicated after our recent survey that they would like to read more profiles of our member groups, professors, and others working in the environmental sector of Nova Scotia. We would like to showcase 1-2 individuals or groups a month on our websites blog and in the Eco-Connections monthly newsletter.

Required Tasks

- Contacting interview subjects and arranging a time to meet or conducting interviews by email/phone
- Formatting research into a blog-post style format for our website
- Fact checking and adding links to references if necessary
- Obtaining 1-2 photographs for inclusion with the - either original pictures or obtaining permission to use others
- Choosing a relevant theme each month
