
Website Design Volunteer

NSEN aims to function as a hub of communication - sharing, events, news, jobs, and other opportunities. We want to make sure our online presence is accessible, modern and functional.

Required Tasks

- Update website as requested by board members and staff - upload relevant and timely information
- Work with basic html in Wordpress to increase site functionality - Mailchimp, payment/donation system, etc.
- Create/customize a new modern theme - working with communications and graphic design team to ensure continuity of NSEN's brand and style
- Design new header images
